Q1 What was the first song you heard from Kagerou Project?

>> "Kagerou Days"
The song really stirs up my creativity, so I kept repeating it as my BGM when I work.

Q2 What is your favorite song from Kagerou Project?

>> "Kagerou Days"
Because it's the song that introduced me to Kagerou Project.

Q3 If you could have a character (1) from Kagerou Project as a sibling, who would it be?

>> Momo (as a sister)
I want to walk in on her while she's bathing or changing clothes then she'll scream "kya—" like what often happens in love comedies. 2 or 3 times a week

Q4 Which character from Kagerou Project would you want to hang out with?

>> Shintaro
I want to go to the department store together, get attacked by terrorists (only Shintaro) getting shot, getting help from Mekakushi-Dan, and after this and that happened, just like that, join Mekakushi-Dan
